

## COMMUNICATIONS:

The Blue Ridge School has a number of ways for parents to stay connected during the school year.

1. Weekly e-newsletters are sent every weekend to parents, staff and trustees. These emails are sent through Constant Contact and may, at first, go directly to your spam or junk folders. If you don't receive the newsletter (the issue will be sent in early August) please check these folders for an email from [hkeldermans@blueridgeschool.com](mailto:hkeldermans@blueridgeschool.com). If you find a parent newsletter there, please mark it as "not spam" or "safe". If more than two or three emails go directly to spam, Constant Contact will no longer send an email to that address so it's important to check your spam folders. Here's the link to the parent e-newsletter archive.

2. The Blue Ridge School Facebook (<https://business.facebook.com/blueridgeschool/>) page posts news, photos, videos throughout the day. Please "like" our page so that these items will appear in your own Facebook feed.
3. We have set up a private Facebook page just for parents on which you can post your questions, share ideas, and more with other parents and School administrators. We send all new parents an invitation to join this group. Please check your spam folders as this is often where the invitation may be delivered.
4. The School's twitter account (<https://twitter.com/blueridgeschool>) is another good source for news about School and students.
5. Most videos taken during the year are posted to YouTube (<https://www.youtube.com/user/BRSHKeldermans>) and Vimeo (<https://vimeo.com/blueridgeschool>). You can click "follow" on Vimeo and "subscribe" on YouTube to receive a notice when we upload new videos.
