	12:00 pm Lunch, Williams Dining Hall
	1:00 pm Early Decision interview

Blue Ridge Preview Weekend is a two-day campus visit that gives prospective students and families a clear, well-rounded view of life at Blue Ridge. **Sunday** focuses on programs and athletics, with time to meet coaches, train in our facilities, and connect with current students. **Monday** follows the full Open House experience, highlighting academics, student life, leadership, and the college counseling process. Together, the weekend provides meaningful access, deeper context, and a complete picture of the Blue Ridge experience.

Prospective families are encouraged to speak with their admissions counselor for details about additional campus experiences, including Senior Day at a Varsity Basketball game and the Winter Drama production.
